Did you know?

Quay Arts Trading is made up of the café, craft shop and conferencing facilities and is the trading arm of the charity, **Steve Ross Foundation for the Arts**.

The Quay Arts Café exists for the sole purpose of supporting the charity and its mission. Hence all surpluses generated by trading are ploughed back into the charity. So by buying a coffee in the Café, a card in the Craft Shop or booking a function you are supporting the charity and helping to deliver our mission of bringing a varied and enriching arts programme to the Isle of Wight and to be a centre of artistic excellence within the South East.

We hope that you enjoy your meal and would welcome any comments you may have about our menu or your experience at Quay Arts.
